CATHOLIC SCHOOLS WEEK

NOW, THEREFORE, I, SCOTT WALKER, Governor of the State of Wisconsin,

proclaim this week as CATHOLIC SCHOOLS WEEK in Wisconsin to acknowledge and celebrate the important contributions and accomplishments of Catholic schools in Wisconsin. Catholic schools provide students with a strong educational foundation and prepare them for future success. Catholic schools in Wisconsin educate many students in traditional settings and offer unique learning opportunities.

Join me in recognizing the contributions of Catholic schools and their students. Catholic Schools Week is a time to celebrate the role of Catholic schools in preparing students for life and promoting moral values. Let us work together to support Catholic schools and ensure they continue to play a vital role in our communities.
