WCC Supports Assembly Bill to Reform Sex Education
On November 16, the WCC presented testimony in support of Assembly Bill 337 (Rep. Jeremy Thiesfeldt, R-Fond du Lac) at a public hearing before the Assembly Education Committee. Known as the “Strong Communities/Healthy Kids Act,” AB 337 (like its companion bill, Senate Bill 237) would provide local districts flexibility in teaching human growth and development classes, as well as permit abstinence-based instruction. The Committee took no further action on the bill.

WCC Supports Abortion Opt-Out Bill
On November 17, the WCC presented testimony in support of Assembly Bill 154 (Rep. Robin Vos, R-Burlington) at a public hearing before the Assembly Insurance Committee. The bill would prohibit insurance providers that participate in a future state health care exchange from including elective abortions in their coverage. The Committee took no further action on the bill.

Governor Signs New Bills into Law
Governor Walker has signed into law three bills on which the WCC took a position. Senate Bill 42, now 2011 Wisconsin Act 81, requires mandatory reporting of child abuse or neglect by school district employees. The WCC supported the legislation. Senate Bill 86, now 2011 Wisconsin Act 83, permits an educational agency to refuse to employ or to terminate from employment an unpardoned felon. The WCC testified for information. Senate Bill 45, now 2011 Wisconsin Act 86, makes changes affecting administration of medication to pupils. The WCC supported the legislation.
