Legislature Adjourns Regular Session
The Senate and Assembly have adjourned for 2011-12. All bills that did not pass both houses are therefore dead. A summary of the session will appear in the next Capitol Update. As the Legislature now stands adjourned until January, the WCC will be issuing the Capitol Update less frequently.

Abortion Bills Pass Legislature
On March 13, the Assembly passed Senate Bill 92, which bars health insurance providers that participate in a future state exchange from including elective abortions in their coverage, on a vote of 61-34. The WCC offered testimony in support.

On March 15, the Assembly concurred in Senate Bill 306, which protects women from being coerced into having an abortion and prohibits “webcam” abortions, on a vote of 60-33. The WCC offered testimony in support. Both bills are expected to be signed by Governor Walker.

Cap on Family Care Program Lifted
On March 20, the Governor signed 2011 Wisconsin Act 127. This bill, which enjoyed strong bipartisan support, removes the enrollment cap on the Family Care program and other Wisconsin Medicaid community-based, long-term care programs. The WCC supported Senate Bill 380, which was unanimously approved by the Senate and passed the Assembly by a vote of 87-6.

Bill to Reform Sex Education Passes
On March 14, on a vote of 60-34, the Assembly passed Senate Bill 237, which reforms laws governing public school instruction in human growth and development. The WCC offered testimony in support of the bill, which Governor Walker is expected to sign.

Rent-to-Own Bill Fails to Pass Legislature
Assembly Bill 582 would have exempted the rent-to-own industry from the Wisconsin Consumer Act. On March 15, it passed the Assembly but failed to advance to the Senate before the Legislature adjourned. The WCC presented testimony in opposition to the bill.
Special Needs Scholarship Bill Fails to Pass Legislature

Similarly, Assembly Bill 110, which would have provided funds to special needs students to attend the school of their choice, passed the Assembly but the Senate adjourned before it could act on the bill. The WCC offered testimony in support of the bill.
