WCC Testifies in Support of Abortion Opt-Out in Health Care Exchange
As reported in the last Update, Senate Bill 92 (Sen. Rich Zipperer, R-Pewaukee) prohibits a qualified health plan offered through any exchange operating in Wisconsin from covering any abortion that is ineligible for federal or state funding. The WCC presented testimony in support of SB 92 at a public hearing on May 25th in the Senate Public Health, Human Services and Revenue Committee. The Committee took no further action on the bill.

Joint Finance Committee Cuts Family Planning Funds to Abortion Providers
By a vote of 12 to 4, the Joint Finance Committee approved a motion to prohibit family planning services funding for organizations that perform abortions or do abortion referrals, or the subsidiaries of organizations that perform abortions or do abortion referrals. The WCC supported the action.

WCC Testifies in Support of Changes to Milwaukee Parental Choice Program
The WCC submitted testimony supporting Assembly Bill 94 before the Senate Committee on Education, sponsored by Representative Howard Marklein (R-Spring Green) and Senator Van Wanggaard (R-Racine). The legislation would institute administrative changes to the MPCP designed to facilitate ease of administration. The bill would institute a number of changes, including allowing schools to receive one payment for all MPCP pupils attending a school (as opposed to the current practice of issuing separate checks from the state for each participating child), to altering audit standards to align with American Institute of Certified Public Accountants. An adopted amendment to AB 94 also allows a participating student, or the sibling of a participating student, that is initially
eligible for the MPCP program by having a household income of 175 percent of federal poverty level or less, to remain eligible for the program regardless of income.

**Interfaith Letter on Conceal and Carry of Weapons**
The WCC has issued a joint letter with other faith-based groups, calling on legislators to prohibit the carrying of concealed weapons in houses of worship. On May 23, Senator Pam Galloway (R-Wausau) introduced a substitute amendment to **Senate Bill 93** (also known as the “constitutional carry” bill), which would still allow CCW without a permit or training, but would allow gun owners to apply for an optional permit if they wish to travel to other states that require permits, or if they wish to carry a concealed weapon within 1,000 feet of school grounds. The bill passed in committee and now awaits action in the Senate.

**Immigration Bill Proposed**
Representative Don Pridemore (R-Hartford) stated that he has introduced legislation requiring law enforcement to act when they suspect a law has been broken and the perpetrator may be here illegally. A bill number is not yet available.

**Payday Lending Regulation Introduced**
Legislators have introduced two bipartisan, companion bills to limit the interest rates that payday lenders may charge. **Senate Bill 99** (Sen. Glenn Grothman, R-West Bend) and **Assembly Bill 150** (Rep. Evan Wynn, R-Whitewater) would limit the interest rate that a payday loan licensee may charge on a payday loan, before the maturity date, to an annual percentage rate of 36 percent. A payday loan on which a greater rate of interest is charged would not be enforceable. The bills would also expand the class of creditors that are considered "licensed lenders." Lenders, other than a financial institution, that make consumer loans exceeding $5,000 in principal amount would become subject to the aforesaid licensing requirements and the 36 percent interest rate cap.

**Upcoming Hearings of Interest**
(N.B. Only bills of interest are flagged. In most cases, committees will be considering other bills as well.)
